First Group Ride of the Season!

We scheduled April 22 on our calendar as our first group ride, and fortunately the weather held so we could make it happen! Gary Jordan led our ride up through Candor and across the mountain to Richford, NY - taking us past a very exquisite daffodil field and a yard with its own railroad crossing. You never know what you are going to see on these rides! We took a chance on a small restaurant called the Red Rooster which turned out to be amazing!

Chapter PA-R
GUMBALL RIDE
Meet at Comfort Inn, Sayre, PA

Chapter R Gathering meets on the 2nd **Saturday** of every month except Dec. - 9:00 a.m. Buffet Breakfast, 10:00 a.m. Meeting.
Comfort Inn, Elmira Street, Sayre, PA

Chapter Directors

Carla's
Comments

I was driving home from town one day and went right by Johnny D's Ice Cream stand in Sayre. I had to do a double take, because I saw two fluorescent yellow jackets standing in line to buy ice cream. I went around the block and stopped, and sure enough, Bill and Janice Rowe had parked their Can Am and were there fulfilling their Ice Cream Challenge! It is so exciting to be receiving the pictures and messages of our members stopping at the 55+ ice cream stands on our list. You guys are SERIOUS ABOUT ICE CREAM! So keep up the great work - go visit those stands - and hey, if you find one NOT on the list, send it along, too. Great prizes are in store for those who participate!!!!

This is a reminder that we have changed things for our Team Meetings. The Railhouse has closed and is remodeling under new owners to be a steakhouse. So we had to go look for a new place to have our monthly team meetings. We met for lunch at the Grille at the Train Station in Sayre, and while we there we asked Joe Darrow Sr. about his beautiful banquet room. He didn't have it available for April or May, but could book us for all the months after that!!! The privacy back there will be wonderful for those of us senior citizens who are a little hard of hearing!!! He called me a few days later and said he forgot to check the other booking ledger, and there was a conflict for June as well. But he is offering it to us at no fee if we will have our meeting two days earlier. So in June, we will be

meeting on Tuesday, June 13 instead of Thursday, June 15. Then we will get back on our regular schedule in July. We also booked the Christmas party there for 2023, so we are pretty excited about our new space for meetings and our annual party! For May, we will again meet at Callear's BBQ where we met in April. Those folks were mighty glad to have us, and are so friendly! So we will have our planning meeting on May 18 there.

This coming weekend we will be heading to Williamsport for the annual Hobo Stew Ride. They always provide a great ride and then we can enjoy some of that interesting soup. Bring a can of soup to add to the concoction! We will meet at 8:15 at the Sayre Dandy, and several from the Wysox area are meeting at the Powell School at 8:45. Then we will all meet at the Canton Pump & Pantry at 9:30 to get down to Williamsport around 10:30 for that event.

Also coming up in May is our Chapter Picnic. We will be gathering at Mount Pisgah County Park on Sunday, May 21. This is NOT the state park but the county park at 2181 Wilcox Dr, Troy, PA 16947. We were there for our Ice Cream Social back in 2021 and I remember getting up to it from Route 6. There is a nice pavilion up there and the Chapter will provide hot dogs. Everyone should bring a dish to pass, and we will have a great time! It's an awesome time to kick off summer.

Continued on page 3

Chapter Directors con't

Continued from page 2

May is a busy month - we want to honor all those mothers out there for doing such an awesome job! Most of us would not be here enjoying our motorcycles if it were not for them! And at the end of the month we will be celebrating the opening of the summer season with Memorial Day and our annual barbecues. We want to thank all those Veterans who have sacrificed for the freedoms that we enjoy. And May is also the month most of us start getting our gardens in order so we have plenty of fresh veggies growing all summer long. It is a wonderful time of year to get back outside and start enjoying nature!

Ed's
Comments

Here we are -- getting close to the Hobo Stew Run and all the other fun things we are looking forward to do this summer. You know, looks are deceiving. When you look at my trike, you think everything's fine and everything's working great. Then you get on it and you find out you can't change the channels, you can't do this, you can't do that, and you know, I think this occurs with everybody's bike. You take your bike for granted. Take the time and go over your bike and make sure your bike is up to snuff. Go over your trailer and if you're going to be going out to Litchfield with us or up to Boldt Castle, look at your trailer, check your wheel bearings, and make sure the nuts are tight on your spindles. Be prepared. Good Boy Scout motto! I guess I am really looking forward to this Litchfield trip because while we went on a trip down to West Virginia last year, this is going to be a major ride for us. So I am really excited about attending the first Wing'd Riders national convention. I'm looking forward to meeting a lot of great people, having a lot of fun, and learning a lot. So again, take the time, check your bike, check everything out, make sure that everything's up to snuff.

On a second note, you know, I have listened to Dennis, and I have listened to Donnie talk about buying quality stuff for your bike. I went and ordered a cheap backrest for the new trike, and I put it on, and Carla got on, and the thing is designed almost like the one I have on my gold Goldwing but the angles are different, and it really affected her legs. When she got off she showed me how her legs were all pinched. So, I said well, I guess I learned by trial and error. So I went and got a Kuryakyn back rest and back arm rests. I ordered them and I am looking forward to getting them all installed and all ready so that when we head out, both of us will be comfortable!

See you all soon!

Assistant Directors

Riding season is upon us but with all of the rain we've been getting it's off to a slow start. We have noticed when riding that people are throwing their grass onto the road. So be very careful when riding those bikes that you be extra cautious of the grass as it is very slippery when wet.

We have managed to get started on our ice cream challenge but it will be much more enjoyable when the weather gets warmer and drier.

We are looking forward to our trip to Litchfield, Illinois for the first Wing'd Rider Rally. We will be taking three days to get there so we can enjoy the scenery and not feel rushed. It will be great to see some friends we haven't seen in a long time and to also meet some new ones. It will be interesting to see what vendors they will have for us. We are hoping there will be some for Can Ams this year as we seem to be seeing a lot more of them on the roads.

Remember May 7th for the Hobo Stew ride to Williamsport. We always enjoy the great rides that they have planned for us along with the tasty soup and fantastic desserts. Be sure to check your calendar for other upcoming events for our Chapter. Hope to see you all at the Rally.

Your Assistant Chapter Directors,
Bill and Janice Rowe

Denny's Disorder

WOW!! 25% of the year is gone already!! Betcha that stops and makes ya think for a minute. Barb & I have been out on the bike a few times. We took one of our favorite rides down 154 into Forksville. This allowed us to stop at Big Mike's. They had a special, The Cute Chick. It's deep-fried chicken tenders, ham, bacon and two different sauces on it. As good as their cheesesteaks are, had to try it. First bite, I'm thinking this is too sweet. Not sure I will be able to eat it. Then the spicy kicked in. Wow was it good. Unfortunately, only a short time special. Probably won't have it when I get back down there.

As you all know, Barb & I upgraded to the new Wing in 2021. Getting on it to ride again this year, I forgot how smooth and quiet this big machine is. Just super smooth. We are looking forward to a great year of riding. Russel Day Long will be manufacturing our new seat on May 15th. They said a two-week period to make it. That gets it back to us before June. We are excited to upgrade.

I asked if anyone has any interest in going to some of the events Barb & I are planning. The pushback was, what are one day trips – out and back – and what are the overnight ones. May is shaping up to be a busy month. First up is the Hobo Stew Ride down in Williamsport. We are leaving from the Pump & Pantry (Citgo) located on the west side of Canton on Route 414 at 9:30. That'll give us plenty of time to get to Williamsport and sign up. A couple of us are meeting/leaving the school just west of Monroeton at 8:45 to meet up with everyone in Canton.

Next on Barb and my's agenda is the Keystone Wings PAB Spring Fling on May 13th. While this is going to be an overnight trip for us, we will be crashing at my snowmobiling friend's house, Harrison. Expect to spend Friday and Saturday nights there. If anyone has any interest in going, we can ride together, but you'll have to find your own accommodation. This is also the day of our Chapter Gathering.

Lastly in May, we have our Chapter Picnic for May 21st. We discussed where to have it at the Staff Meeting, but I do not recall and did not write it down.

On June 24, the Northwest PA WR PAN Pig Roast will be held. It will be at Maryann's place, the lady that does our shirts. Barb & I will be out of town that weekend attending our youngest grandson's high school graduation. I missed this last year and am disappointed I'm gonna have to miss it again this year.

Another event we plan on attending is the Cumberland Valley Riders PAK 1st Annual BBQ in August. We've made no plans for it yet. Might be a ride down in the morning, staying overnight and riding back the next day – or not. Paul Frownfelter is in charge. I've had his BBQ and Wow is it good. If you remember, Paul is the one who visited us this past Gathering.

I've not included some of our own events, you know what they are. While planning our trip to Litchfield, Ill this past week, we spent some time planning the trip to Boldt Castle. The route is planned. Looks to be a real nice ride.

That's about all I've got for this month. Waiting for the weather to break so we can take the bike out more often. Don't forget the District Rally is in our backyard this year at the Grand Victorian Inn. Sign up early for all the bonuses!!!

June 24

See ya' on down the road, Dennis

Safety News

2023 Motorcycle Safety Awareness Month

May is Motorcycle Safety Awareness Month, and the U.S. Department of Transportation's National Highway Traffic Safety Administration (NHTSA)

is urging vehicle drivers and motorists to remember that *Motorcyclist Safety Is Everyone's Safety*. Ultimately, safe driving and riding practices and cooperation from all road users will help reduce the number of fatalities and injuries on our nation's highways.

Know the Facts

In 2020, there were 5,579 motorcyclists killed in traffic crashes, an 11% increase from 2019 (5,044). In contrast, an estimated 82,528 motorcyclists were injured, a 2% decrease from 83,814 motorcyclists injured in 2019. Motorcyclist deaths accounted for 14% of the total highway fatalities in 2020.

Research shows that motorcyclists are significantly overrepresented in traffic crashes and fatalities each year. In fact, in 2020, per vehicle mile traveled, motorcyclists were about 28 times more likely than passenger vehicle occupants to die in a motor vehicle crash and were 4 times more likely to be injured.

Motorcyclists 55 and older accounted for 27% of motorcyclists killed in 2020. Over the 10-year period from 2011 to 2020, motorcyclist fatalities among the 55-and-older age group increased by 37%, from 1,087 to 1,486. In 2011, the average age of motorcycle riders killed in traffic crashes was 42, whereas in 2020, the average age was 43.

In 2011 and 2020, roughly half the motorcyclists were killed in traffic crashes during the weekend versus the weekday. Additionally, motorcyclist fatalities on weekdays increased by 15% from 2,402 in 2011 to 2,765 in 2020.

Tips for Motorcyclists

[Observe all traffic laws and always obey the speed limit.](#)

Wear personal protective gear and a DOT-compliant helmet with a "FMVSS No. 218 Certified" label.

NHTSA estimates that helmets saved the lives of 1,872 motorcyclists in 2017. An additional 749 lives could have been saved if all motorcyclists had worn their helmets. [Learn how to identify a safe, DOT-compliant helmet at \[www.nhtsa.gov/motorcycle-safety/choose-right-motorcycle-helmet\]\(http://www.nhtsa.gov/motorcycle-safety/choose-right-motorcycle-helmet\).](#)

Never ride while impaired or distracted — it is not worth the risk of killing or injuring yourself or someone else. A DUI costs \$10,000 on average, and can lead to jail time, loss of your operator's license, and higher insurance rates.

Always complete rider education courses and ride with a current motorcycle license. In 2020, 36% of motorcycle riders involved in fatal crashes were riding without valid motorcycle licenses.

Obey the speed limit. Thirty-four percent of all motorcycle riders involved in fatal crashes in 2020 were speeding, compared to 22% for passenger car drivers, 16% for light-truck drivers, and 7% for large-truck drivers. Motorcycle riders 25 to 29 years old involved in fatal crashes had the highest speeding involvement at 45%.

[Drive and ride defensively.](#)

Tips for Motorists

Yield to motorcyclists, especially while turning at intersections.

When driving, avoid distractions that place motorcyclists and other road users at risk.

Remember, motorcycles are smaller than most vehicles and difficult to see. Their size can also cause other drivers to misjudge their speed and distance.

Though a motorcycle is a small vehicle, its operator still has the same rights of the road as any other motorist. Allow the motorcycle the full width of a lane at all times.

Always use a turn signal when changing lanes or merging with traffic.

If you see a motorcycle with a signal on, remember: motorcycle signals are often non-canceling, and the motorcyclist could have forgotten

Continued on page 7

to turn it off. Proceed with caution to allow the motorcyclist the opportunity to complete the maneuver.

Check all mirrors and blind spots for motorcycles before changing lanes or merging with traffic.

Allow more follow distance — beyond three to four seconds — when behind a motorcycle. This gives them more time to maneuver or stop in an emergency.

Drive alcohol- and drug-free.

Drive defensively.

Obey the speed limit.

Facts About Helmet Use

The use of DOT-compliant motorcycle helmets was 64.9% in 2021, down from 69% in 2020.

Helmet use continued to be significantly higher in states that require all motorcyclists to be helmeted than in other states that do not.

DOT-compliant helmet use among motorcyclists on expressways continued to decrease in 2021 at 69.5%, down from 72.9% in 2020 and 73.7% in 2019.

DOT-compliant helmet use among motorcyclists traveling in fast traffic also continued to decrease in 2021 at 67.5%, down from 70.3% in 2020 and 72.8% in 2019.

DOT-compliant helmet use among motorcyclists traveling in heavy traffic decreased significantly to 67.1% in 2021, down from 77.0% in 2020, an almost 10% change.

Helmet use among riders with passengers continued a sharp decrease at 52.1% in 2021, down from 65% in 2020 and 79.7% in 2019. In contrast, helmet use among passengers of riders wearing DOT-compliant helmets increased significantly from 84.5% in 2020 to 92.1% in 2021.

FMVSS No. 218 and Helmet Compliance

DOT requires that all motorcycle helmets sold in the United States meet Federal Motor Vehicle Safety Standard No. 218, which outlines basic helmet safety requirements.

Many states have laws requiring FMVSS No. 218 DOT-compliant helmets.

In states requiring all riders to use helmets, 86.1% of helmets used were DOT Compliant in 2021, while 9.8% were not. In states not requiring helmet use, 53.4% of helmets used were DOT compliant, while 3.5% were not.

How to spot an unsafe helmet: Check for weight, helmet liner thickness, sturdy chinstraps, as well as the DOT certification label to assess if the helmet meets the federal safety standard. Familiarize yourself with brand names and helmet designs that comply with DOT requirements. For example, a full-face design is a good indicator of a safe helmet. For more information on FMVSS No. 218 and novelty helmets, visit <https://www.nhtsa.gov/motorcycle-safety/choose-right-motorcycle-helmet>.

Facts About Motorcycles and Alcohol Use

Motorcycle riders involved (killed or survived) in fatal crashes in 2020 had higher percentages of alcohol impairment than any other type of motor vehicle driver (27% for motorcycle riders, 23% for passenger car drivers, 19% for light-truck drivers, and 3% for drivers of large trucks).

The highest percentages of alcohol-impaired motorcycle rider fatalities in 2020 were in the 45-to-49 age group (35%) followed by the 35-to-39 age group (33%), 50-to-54 age group (32%), and 30-to-34 age group (31%), when compared to other age groups. Forty-one percent of the 2,158 motorcycle riders who died in single-vehicle crashes in 2020 were alcohol-impaired. Forty-five percent of those killed in single-vehicle crashes on weekends were alcohol-impaired.

Motorcycle riders killed in traffic crashes at night were almost three times more frequently found to be alcohol-impaired than those killed during the day (40% and 14%, respectively).

For more information, visit www.trafficsafetymarketing.gov. For additional statistics, visit <https://cdan.nhtsa.gov/> and search “motorcycle” under Crash Data Publications.

Chapter Events

It's been a great month getting out on our bikes once again. The April weather has been tremendous!!! Above, the guys try to assist Ed with learning how the buttons work on his new trike at the Team Meeting. Above right, Arline, Gary, Barb and Dennis attended the April Chamber mixer held at Bethie's Place. They enjoyed hamburgers, hotdogs, baked beans, macaroni salad and chips—oh, and of course, ice cream! And, below, the riders who are planning the long trip to the Wing'd Rider Rally in Litchfield, IL in June got together at the Smouse House to plot out the trail and stops.

Looking Back... Dennis & Barb Smouse

This bike is our first Gold Wing bought June 10, 1994. It is a 1986. We had all the artwork put on the bike. It was a wonderful looking machine. I still miss it. We bought it with less than 12,000 miles on it and traded it in on our brand new 2004 when it had over 90,000 miles on it. It had pretty much every after-market accessory on it I could find. Being as old as it was, and a fire destroying all the molds in Korea, not much was available. Interestingly, we traded it in when we purchased the 2004 on June 10, 2004, ten years to the day. Now I wanted to purchase a 2014 on June 10, 2014 – but Barb would not let me! By the way, the guy standing next to Barb is my twin brother!!! This picture was taken by a professional photographer at the Harley Dealership in Mansfield, I'm guessing on their Memorial Day Open House.

We are looking for more “first bike” or “favorite past bike” stories and pictures. Contact Carla with yours!

Sponsor Feature

When you think of Dandy, we hope you think of us as a quick stop to enjoy some food, fuel your ride, and get back on the road! We are the convenience store that is there for you, and we are also there for our communities. Over the past 40 years, Dandy has supported our neighbors from the Southern Tier of New York to the Northern Tier of Pennsylvania.

Dandy partners with many local organizations to help raise money, and to help raise awareness. In the month of October, across the Twin Tiers, we turn our large coffee cups pink and donate proceeds from the sales to the Guthrie Breast Care Fund. This provides financial assistance to breast cancer patients to access services not covered by insurance.

At the end of the year, each Dandy store chooses local charities to support and raise money for! This is Dandy Canes. To date, our customers and TEAM have partnered to raise more than \$600,000 in support of over 150 local charities where 100% of these funds stay within the community.

Some of our other impacts in the community include our Dandy store managers in Sayre, Athens, and Waverly organizing an Easter Egg hunt for the kids in the area! Dandy's design team was tasked to help create a new brand and fun signage for Wyalusing Creekside Park.

Dandy is also a part of the Williams Companies Charity Challenge, a golf event hosted to support over 30 different charities that go directly towards local educational foundations, libraries, art councils, parks, recreational programs, numerous centers for health, wellness and rehabilitation, and the highly impacted organizations associated with food distribution.

THANK YOU

for being our customers and providing us with the opportunity to grow with our community. Without you, we would not be able to help support our community the way we do.

Chapter Events

Our team is out and about trying out a lot of ice cream shops in the region! Don't forget to send a picture or some proof that you were at one of the ice cream stands on our list and you just might be our 2023 Ice Cream Challenge Winner!!!

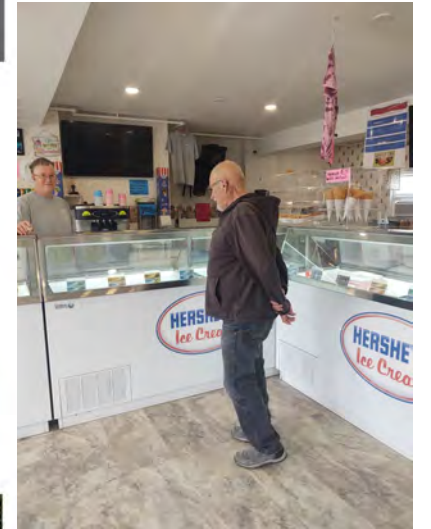

2023 Chapter Ice Cream Challenge

From April 1, 2023 through October 31, 2023 visit 25 of the ice cream stands on our list and submit a picture proving you made the visit to carla.dawejko@gmail.com

You will receive 1 point for each stand visited, and 2 points for each stand over 50 miles from our Gathering location.

Three Grand Prizes will be given out at our Christmas Party! Everyone who visits at least 25 stands will receive a pin

View guidelines and the list of ice cream stands on our website: endlessmountainsriders.org

2023 Chapter Ice Cream Challenge

Check out our list of the top 55 Ice Cream Places in Pennsylvania and New York. We have decided to add a little dessert & fun to our riding year. What are we going to do? The best we do; Ride & Eat Ice Cream, of course!

From April 1, 2023 through October 31, 2023, you will need to visit 25 of the Ice Cream places on the list and get your picture taken either in front of the Ice Cream place, showing the sign, or with your receipt showing the location and date of your visit. Then send or bring that picture to us at carla.daweiko@gmail.com. When sending your pictures by email, please use the corresponding number that your ice cream place is on the list, in the subject line of your email. For example – If you visit the Dairy Queen in Big Flats put “No. 4 Ice Cream Stand” in the subject line. Easy, right?

You will receive 1 point for every stand visited. Locations Highlighted in Yellow are the ice cream stands that are 50+ miles from Gathering location and these locations will be recorded as 2 points. We acknowledge the top three persons (or couple) who visited the most places, with special awards.

To make it even easier, we are going to plan a few of the places as chapter rides during riding season.

This is meant to be a fun, easy to do! Remember to send your pictures in. You will be sporting a new pin for your vest once you have visited 25 places. You don't have to stop at 25. If you go to more, take a picture and send it in. There will be a special reward presented at the Christmas Party for the one that gets the most. The challenge will end on October 31 2023.

Happy Ice Cream eating!
